

Introducing

eLINC allows select members of your Winchester health care team to immediately access and share your health information securely, which could save your life during a medical emergency!

Other Benefits Include:

- . Provides you and your loved ones with safe, high-quality health care
- . Efficient care and treatment after hours and in the emergency room
- . Quick access to your medical history
- . Lowers patient cost

Safe...Secure...Complete

Ask your health care team how to sign up for eLINC today, or visit our website at
